An Enlisted Man Deplores the "Lasy" Life of Our Soldiers.

This is the sixth of a series of articles by a SUN correspondent on the political situation in the middle West. It follows ern outlook. The first article shows that Cummins controls lows Republicans, with Romevelt second. The Democrats are for Wilson. The second article indicates about the same situation in Minnesota. The third says North Dukota Republicans want La Follette, while the Democrats, barring the German element, are for Wilson, C. the fourth article shows. Rossevelt is no particularly strong, while Wilson dominates the Democratic ranks. Cummins also is nlisted wets and drys for his brother want Wilson.

JEFFERSON CITY, Mo., March 18 -Te most significant feature of the political situation in Missouri is the unanimity with which the people, Republicans as well as Democrats, seem to be standing by President Wilson in his fight for preparedness. Experienced politicians and those in close touch with the people say that eliminating the German element. President Wilson would get more votes in Missouri to-day than Speaker Clark and Senators Reed and Stone combiner should a primary be called. Certain Missouri Congressmen who are opposing the President in Washington may for disagreeable situations when they come home and start repairing their fences for the fall campaign.

There is a big German vote in Mis sourt-especially in St. Louis and the southern half of the State. To the size of this vote is credited by many of the home folk the position some of the Misouri delegation at Washington have

"If they want the German vote the can have it, but they can't get the American vote." is heard on all sides The Missouri German vote will be solid against President Wilson, provided Co Roosevelt is not pominated

Missourt was not a Roosevelt State 1912 and it is not a Roosevelt State to-day. Mr. Taft had nearly twice at dent Wilson's vote was as large as the toral college would be for some Republican who favors "preparedness" -- but not for Col. Roosevelt.
